

THANK YOU!

Thank You!

You have made such a difference in my life, my parents and I are so thankful for all you do for us, I am able to go to school without having to worry that my parents won't have enough money to pay my tuition. My sister used to attend Immaculate too, and because of your generous donation she had an amazing education and passed with honors, all because of you! So I just wanted to say thank you for your generous donations. I would not be able to be here, but I am and it's all because of you. So...

THANK YOU!!
